Virtual via Zoom

Registration Deadline: April 15, 2026

You Will Have the Opportunity to:

CREATE A FULFILLING LIFE

Discover your True Purpose for Money and choose an investing strategy aligned with that purpose.

APPLY THE SCIENCE OF INVESTING

Our investing methodology is based on Nobel Prize-winning academic investing principles and behavioral science that focuses on long-term wealth creation.

ESTABLISH A FRAMEWORK FOR DECISION MAKING

Avoid the static of short-term market trends and fluctuations and discover how to stay prudent and disciplined over a lifetime.

UNDERSTAND THE HUMAN BEHAVIOR FACTOR

Learn how human biases and blind spots have the potential to destroy dreams and create safeguards against behavioral pitfalls to help protect your hard-earned money.

INVEST FOR THE FUTURE

We train and develop investors to stick to their investing strategy over the long term. Discover how to harness the power of self-discipline and purpose.

The American Dream Experience is an engaging and compelling encounter with clear, potentially life-altering truths about economics and investing.

Over the course of this event, you will have an opportunity to discover for yourself what investing is, how it works, and how it can help fulfill on your purpose for your life. Through the American Dream Experience, you can alter your relationship to money and investing in a way that leaves you and those you care about powerfully pursuing your dreams.
